

## **Novus® Spectra™**

### **Portable, High-Power 532 nm DPSS Photocoagulator**

Lumenis, the leader in ophthalmic lasers, offers a compact, yet powerful photocoagulator designed to meet practice needs with low cost of ownership.

- **Performance**  
The Novus Spectra photocoagulator delivers power and reliability with proprietary advancements in diode-pumped solid-state (DPSS) technology.
- **Precision**  
The Novus Spectra works together with Lumenis patented optical accessories to enhance treatment precision.
- **Portability**  
Compact and lightweight, the Novus Spectra is easy to transport, which increases the value of this investment.
